
PREFERRED CORPORATE

Welcome to the Preferred Corporate Program at White Oaks Resort & Spa! In order to remain in the program and receive the preferred rates, a company must book a minimum of 20 room nights per year. The number of bookings will be evaluated every year and rates or the eligibility of this program may change depending on the room night reserved.

Please note that the rates stated are based on **single occupancy** and include a **$25 credit** towards breakfast. Should you wish to add an additional person to the room, the rate will increase by $10 per additional person. Should you wish to add an additional person and an additional breakfast credit, the rate will increase by $25 per additional person.

These rates apply from **Sunday to Friday only** (excluding all holidays, holiday weekends and New Year's Eve). Should you wish to stay on a Saturday evening, the preferred discount is 20% off the best available rate that day and does not include a breakfast credit.

TIER 1
