AFFILIATE PRICING

PURPOSE

To provide savings to hard working local residents above and beyond what is advertised by Hyundai Canada or Nissan Canada, nationally or regionally.

We know how hard our public sector members, finance professionals, members of our non-profit organizations and members in our various religious communities work every day to keep our community safe, happy and healthy and we want to reward that work by providing great value to you and your family.

AFFILIATE PRICING GUIDELINES

Members of registered organizations may receive affiliate pricing for themselves, family members and friends. Family members and friends must be accompanied by the member of the registered organization to receive affiliate pricing and that member must bring in documentation to support their membership or employment with the registered company or organization.

Now enjoy the savings, you have earned them!

WHO WE ARE

Auto Value Hyundai and Niagara Falls Nissan are two excellent dealerships recently reopened under new management and ownership. As our name states it is important for us to give value to our community and we plan on doing so. Auto Value Hyundai and Niagara Falls Nissan have over 800 vehicles—both pre-owned (most makes and models) and new Hyundai's and Nissan's in stock at any given time. This makes us one of the largest dealerships in all of Niagara and we are volume oriented—therefore we have one of the most accurately priced inventories available in respect to the open market.

TO RECEIVE AFFILIATE PRICING:
