

PREFERRED CORPORATE

Welcome to the Preferred Corporate Program at White Oaks Resort & Spa! In order to remain in the program and receive the preferred rates, a company must book a minimum of 20 room nights per year. The number of bookings will be evaluated every year and rates or the eligibility of this program may change depending on the room night reserved.

Please note that rates are based on **single or double occupancy**. Should you wish to add an additional person above double occupancy, the room rate will increase by \$10 per additional person.

These special rates are available 7 days a week (Monday–Sunday), however all holidays and holiday weekends are excluded from this promotion and standard room rates will apply.
